OUMAIMA AMARA

UI/UX Designer

Sidi Slimane, Morocco | +212 639-555942 | oumaimaam1998@gmail.com

PROFILE

UI/UX designer with experience creating digital products, websites and visual assets for international teams. Skilled in translating complex content into clear interfaces, building consistent design systems and collaborating with developers. Uses AI-assisted tools to explore ideas and support design-to-development workflows.

PROFESSIONAL EXPERIENCE

CommonShare | UI/UX Designer | Remote | *Oct 2022 - Present*

- Designed interfaces for a B2B supply chain transparency platform, including dashboards, company profiles and product experiences.
- Created responsive industry and compliance landing pages, wireframes, prototypes and reusable components in Figma; worked with developers to support implementation.
- Produced digital and print assets for Ecosystem Summit and Ownership Economy Summit, including event websites, presentations, speaker cards, badges and signage.
- Built and refined website layouts in Squarespace and contributed to marketing content and presentation design across teams.

Connect to Invest | UI/UX Designer | *2023*

- Designed user flows, wireframes and high-fidelity prototypes for a platform connecting investors with social impact initiatives.

SELECTED PROJECTS

Nomae Store | Personal e-commerce project | *nomae-store.vercel.app*

- Designed a minimalist fashion shopping experience in Figma, developed its visual system and used Codex to help build and refine the website; worked with GitHub and Vercel for deployment.

Ecosystem Summit and Ownership Economy Summit | *Event design*

- Designed event web pages and coordinated visual assets across digital, presentation and print formats.
